

VIG Re, the reinsurance company of Vienna Insurance Group, is a dynamic company with various international operations mainly in Continental Europe. We are looking for a new team member who will accompany us to the next step in our strategic growth.

We work hard, but we also like to have fun. Our company culture is quite exceptional for the Czech insurance market; please check out our website www.vig-re.com for more information about us.

RETROCESSION ANALYST

Contributes to the analysis of the efficiency and adequacy of in force and alternative retrocession arrangements from a risk and capital management perspective and ensures appropriate and efficient use of data for retrocession purposes.

In this role you will

- be responsible for the assessment of VIG Re portfolio and exposures for the retrocession purposes
- contribute to the analysis of the efficiency and adequacy of in force and alternative retrocession arrangements from a risk and capital management perspectives
- contribute to the renewal submissions of retrocession covers
- ensure appropriate and efficient use of data for retrocession purposes; identify needs for improvements of internal operating systems, specify the development requests and closely cooperate with Business Processes and IT solutions department on the implementation
- closely collaborate with other VIG Re departments, understand the internal processes across the Company and make the retrocession processes aligned
- account for retrocession contract management, i.e. timely, accurate and complete production of related documents of retrocession contracts, correspondence and quotation process and entering the relevant information into the operating systems (BSS, SAP)

Our Expectations

- University degree in Mathematics, Economics or other equivalent scientific discipline with strong mathematical / insurance focus
- Work experience in (re)insurance with a focus on actuarial science, risk management or underwriting
- Broad understanding of Non-life reinsurance and retrocession structures, markets and practices
- Very good analytical and IT skills, ability to adapt quickly to VIG Re IT infrastructure
- Proficient command of English

We Offer

- Opportunity for professional development in one of the leading insurance groups in Central and Eastern Europe
- The opportunity to contribute essentially to overall company direction and development
- Attractive, performance-oriented remuneration package
- An extensive package of benefits
- Flexible working hours
- Work in an international team
- Workplace in the heart of Prague
