

VIG Re, the reinsurance company of Vienna Insurance Group, is a dynamic company with various international operations mainly in Continental Europe. We are looking for a new team member who will accompany us to the next step in our strategic growth.

We work hard, but we also like to have fun. Our company culture is quite exceptional for the Czech insurance market; please check out our website www.vig-re.com for more information about us.

Senior Underwriting Specialist

Responsible for the monitoring of VIG Re's assumed reinsurance business and adherence to VIG Re Risk Strategy and VIG Re reinsurance standards for Life and Non-Life.

Your Tasks

- Monitor the underwriting risk profile of the Company with regards to the parameters as set out in the Risk Strategy and Underwriting Plan; especially with regards to:
 - natural catastrophe accumulation
 - other known accumulation risks
 - individual transactions which may have a material impact on the risk profile of the Company
- Monitor the portfolio development by line of business and market segments in respect of underwritten and realised profitability
- Manage the underwriting referral process, including:
 - assessment of the exposure and risk mitigation of referred transactions
 - decide on underwriting referrals within assigned limits and in adherence to VIG Re underwriting guidelines
 - coordinate underwriting referrals exceeding assigned limits with the decision-making body (Chief Underwriting Officer, Underwriting Committee and Board of Directors)
- Support the Chief Underwriting Officer in the management of the underwriting planning process
- Cooperate with internal stakeholders of VIG Re market teams, i.e. Underwriting departments, branch offices, Reinsurance Accounting department, Claims Management and Corporate Underwriting
- Support the market responsible underwriter in the assessment of deal-specific exposures
- Support business administration in the assessment of reinsurance contract wordings with regards to compliance with VIG Re underwriting standards
- Contribute to risk management and compliance related responsibilities relating to assumed reinsurance (e.g. the annual update of guidelines)
- Coordinate corporate underwriting related internal projects, including the improvements of underwriting workflow system (BSS) and underwriting standards
- Account for internal and external reports (including regulatory reporting) in cooperation with Controlling Planning and Reporting department and Risk Management function and present to internal committees (Risk and Compliance Committee, Underwriting Committee) if required
- Support the development of the Company's risk underwriting strategy

Our Expectation

- University degree preferably in Economics or Legal Sciences
- Long-time board and sound work experience in (re)insurance with a focus on underwriting
- Broad understanding of Non-Life and Life (re)insurance markets and practices
- Excellent command of English
- Proficient communication and organisational skills
- Team player

We Offer

- Opportunity for professional development in one of the leading insurance groups in Central and Eastern Europe
- The opportunity to contribute essentially to overall company direction and development
- Attractive, performance-oriented remuneration package
- An extensive package of benefits
- Flexible working hours
- Work in an international team
- Workplace in the heart of Prague
