VIG Re earns the Great Place to Work Certification™

VIG Re is proud to announce that it has been awarded the Great Place to Work® certification. This recognition is a direct result of the positive experiences shared by VIG Re employees, reflecting the company's unwavering commitment in fostering a supportive, inclusive, and inspiring workplace culture.

As Johannes Martin Hartmann, CEO and Chairman of the Board of Directors, states, *"This certification is a testament to the great corporate culture at VIG Re. The whole team is committed to build a company which is not just a great place to work, but a great place to grow. At VIG Re, we want to be known for attracting and nurturing top talents. While we are honoured to receive this award, we'll keep working to make VIG Re an even greater place for our employees to thrive and grow."*

The Great Place to Work® certification is based on anonymous employee surveys that assess various aspects of workplace culture, including credibility, respect, fairness, pride, and team spirit.

About Great Place To Work®

Each year, Great Place To Work® surveys more than 20 million employees worldwide in order to define what makes a great workplace. The certification focuses on an organisation's trust-based company culture. The findings are given in the context of a Trust Index™, which serves as the basis for further benchmarks.
